mission areas:

- ✓ **Prevention.** Prevent, avoid or stop an imminent, threatened or actual act of terrorism.
- ✓ **Protection.** Protect our citizens, residents, visitors and assets against the greatest threats and hazards in a manner that allows our interests, aspirations and way of life to thrive.
- ✓ **Mitigation.** Reduce the loss of life and property by lessening the impact of future disasters.
- ✓ **Response.** Respond quickly to save lives, protect property and the environment, and meet basic human needs in the aftermath of a catastrophic incident.
- ✓ **Recovery.** Recover through a focus on the timely restoration, strengthening and revitalization of infrastructure, housing and a sustainable economy, as well as the health, social, cultural, historic and environmental fabric of communities affected by a catastrophic incident.
